

Class Shirts

Dear Parents,

It is time to order our class t-shirts. Custom Creations will print them for us for the very low price of \$5.00 a piece for children and \$8.00 for adults to size XL (2XL is \$9.50). We will wear these shirts to school on special days, field trips and playday. If you would like your child to have one of these shirts, please fill out the form below and send it back to school with the money. I know the children love these shirts and I would like every child to have one. If buying a shirt is a financial problem, please let me know. We have resources here at school to help.

We ordered shirts last year and the sizes seem to run pretty true to size, but if you have any question about size **I would order up a size to have it last the whole year.** Custom Creations usually doesn't keep the pattern the whole year, and we only place the order once. If parents would like a shirt, we would be glad to have you order, but the price is \$8.00 each. If you have any questions, please feel free to call or write a note when you send the information back to school. **Please return the slip below by Aug. 28th** so we can get all the information to them and have our shirts by our first field trip in October.
